

AUCKLAND GRAMMAR SCHOOL  
Founded 1869

## New Student Application Process Information Sheet for 2011

All new applications for entry in 2011 must be made on the official Application for Enrolment form available from Auckland Grammar School or downloaded from the website, [www.ags.school.nz](http://www.ags.school.nz).

Each application must be completed correctly; otherwise it will not be processed.

Once the application has been received by the International Student Administrator, the following process will apply.

1. Application received.
2. If selected, the applicant will be invited to Auckland Grammar School to sit English and aptitude tests.
3. As a result of these tests, every applicant will be advised whether or not he has been accepted. Please note that entry into courses depends on a number of factors including confirmation of prior learning and ability in your chosen subjects and at least an intermediate level of English. Students without the prerequisite level of English on arrival will be referred to the onsite high school preparation class until the required English level is reached.
4. Once an offer has been made, the applicant has **one month** to accept the offer in writing to the Director of International Students and pay all the required fees.

### SELECTION PROCESS

The following criteria are used for selection:

- Level of written and spoken English language
- Previous school reports
- Reliable guardian support in New Zealand
- Character references and testimonials
- Academic ability for courses chosen
- Extra-curricular activities
- Spaces in the applied for Year level.
