Co-Curricular Activities

Sporting and cultural activities remain an integral part of the ethos of Auckland Grammar School. Involvement by both students and staff in such activities helps create a pride in our School and an understanding of what “commitment” really means.

In such activities, students particularly learn a lot about themselves, and especially about the value of co-operation, team effort and discipline.

The last five years have seen some exceptional results for our sporting teams. The School has won numerous National titles in a wide array of sports and even more premier elite Auckland Championships.

- Some sports offered are:

Aikido	Duathlon	Scuba Diving	Touch
