Dear Parents and Student

Thank you for your interest in leasing a locker at Auckland Grammar School. Auckland Grammar School has a limited number of lockers available for lease.

**Where are the Lockers Situated?**

The lockers are situated on the D floor in the Main Block.

**Who is Responsible for Damage?**

The student will be held responsible for any vandalism they cause.

**Contents/Property Stored Within the Lockers**

Students are advised that the only contents permitted to be stored within the lockers are to be related to School life (e.g. text books, music and sports gear). Auckland Grammar School reserves the right to search the lockers at any time. If items contravening this are found in your locker, your locker rental will be cancelled and disciplinary procedures may be taken.

**Parental and Student Locker Rental Agreement**

Please find attached a form which must be signed and returned.

**Secondary Keys**

You are prohibited from cutting additional keys. If you lose your key, a \$20.00 replacement fee will apply.

**Payment**

The lockers are \$160.00 for 2022. In addition there is a \$20.00 bond which is refundable once the key is returned and the locker is damage free, clean and confirmed as empty of student belongings and rubbish.

Yours sincerely
