## EXAMINATION CLASH LIST

## TERM I, 2024

If you have an examination clash (where two or more examinations scheduled at the same time during this term), it is your responsibility to carefully check this list to find the solution to your clash: which examination you will still do in the original timetabled examination slot and room, and which examination will be re-scheduled to a new time slot and room (in red). As with any examination, it is your responsibility to ensure that you are present at the right room at the right time. If you know that you have an examination clash but your name is not on the list or the details of your clash are incorrect, you must see Mr Oram before the end of Week 9 , so that arrangements can be made to resolve this problem for you. The Clash List will be confirmed and published in Week 10.
